

## 500 Escape Death When Train Wrecks

Four Oaks, N. C., (AP)—A fast Miami-to-New York streamlined train carrying more than 500 passengers was wrecked yesterday with three cars flying down a 20-foot embankment, but nobody was killed.

"The most miraculous thing I've ever seen," declared Dr. Watson Wharton, of Smithfield. "The steel cars saved the passengers."

Other rescue workers voiced equal amazement.

Nine persons were hospitalized and scores were treated for cuts and bruises, but many of the 25 ambulances which converged on the scene went away empty.

The 18-car train, the Atlantic Coast line's East Coast Champion, was passing a rain-hit filled area two miles north of here when nine middle cars derailed without warning.

The diner swung cross-wise on the double track and came to rest almost standing on its nose with one end buried in mud at the bottom of the bank and the other end in the air.

At the bottom of the bank, rescue workers found one car upside down, another on its side and one upright. The other cars stayed on the right of way, although one turned over.

Rescue workers made their way through all the cars and expressed astonishment the toll was no higher.

Four Oaks is about 30 miles southeast of Raleigh, the state capital.

C. G. Sibley, ACL assistant vice president for operations, said, "Incidents are that the cause of the derailment was the fill sloughing off while the train was passing over due to recent heavy rains."

A cloudburst hit the area Friday. The railroad official said the engineer saw nothing wrong with the fill when approaching it. Sibley added another passenger train passed safely over the fill an hour ahead of the streamliner.

## Ike Declares West's Fright 'Ridiculous'

Washington (AP)—A Senate subcommittee quoted Gen. Dwight D. Eisenhower yesterday as saying the free world's strength is so overwhelming "it is almost ridiculous for us to be talking in terms of fright and hysteria."

Eisenhower's assertion came despite a finding by a foreign relations subcommittee that Western Europe is lagging in building up its ground defense. It said, however, the Western European nations have promised Eisenhower a 75 per cent increase in their North Atlantic pact army divisions by next year.

In a formal report on its 14-day visit to Europe in July, the nine-member subcommittee said that Eisenhower, the North Atlantic Treaty organization (NATO) commander, told them, as of today:

"The material, intellectual, spiritual, technical and professional resources available to the free world are so overwhelming as compared to what the iron curtain and satellite countries have that it is almost ridiculous for us to be talking in terms of fright and hysteria, which we often do."

The Senators said Eisenhower, with whom they conferred twice in his Paris headquarters, said the iron curtain countries do have a unity which the NATO nations lack.

They quoted the general as declaring, however, that this is a unity "brought about by a gun and a sword held forever behind a man's back ready to chop off his head."

## Flier Unaware He Was Sought

Blue Point, N. Y., (AP)—Robert Dodson, 29, a commercial aerial photographer reported missing since last Wednesday, was at the home of his brother here last night, unaware he was being sought.

Dodson said he took off from Baltimore Wednesday for Sayville airport on Long Island and arrived there the same day.

"I was not on a flight plan," he said, "so it was not necessary to notify anyone of my arrival."

He did not know the origin of a report that said his destination was Lancaster.

## State Department Charges Reds Filling German Youth With Hatred For Free World

Washington, (AP)—The State department said yesterday that Soviet Communists are filling German young people with "hatred and horror" of the free nations.

They are especially picturing the U. S. "as a monstrosity threatening the peace of the world."

And through control of school, job and social opportunities they are making it next to impossible for the youths to evade absorption into their hate groups.

Nevertheless, the department said in a study of Communism's system for control of East German youth that the current big youth festival in Berlin "may backfire against the Communists."

In a detailed study of the Red youth organization, "Free German youth," which is host for the Berlin gathering, the State department took note that many of the participants are finding their way into the forbidden western sectors of Berlin.

There, a welcome, entertainment and "straight instead of slanted information" have been prepared for them so they may discover how they have been misled about what is really going on in the world.

They have been indoctrinated not only with hatred of the West but with reverence for the Communist party line, it was said. They have been brought up in a carefully controlled atmosphere where every important aspect of life was made to contribute to their participation in the youth movement.

The FDJ (abbreviation of the organization "Freie Deutsche Jugend") has about 3,000,000 members and its older members and former members "have already taken over much of the leadership of the Soviet-controlled East German government. They are subordinate only to old-time Communists with Moscow training."

Powerful pressures are brought on German young people, according to the State department study, to force them into the FDJ "young pioneers" or into the youth organization itself which has a 14 to 24 year age span.

## Bodies Of Jet Fliers Found

Forestport, N. Y., (AP)—Air Force officers probed the wreckage of a jet training plane near here yesterday in which the bodies of two airmen, missing since Tuesday, were found.

The bodies were located Saturday afternoon, still strapped in the charred T-33 jet. Griffiss Air Force base at Rome announced the plane apparently exploded on impact in a small clearing deep in a heavily wooded area about five miles southeast of this Adirondack community.

The wreckage and bodies were sighted by a air-sea rescue plane. The airmen, Maj. C. H. Inschweiler, 34, of Schuylkill Haven, Pa., and Lt. John A. Carver Jr., 30, of Ann Arbor, Mich., were last heard from Tuesday night. They radioed that the plane was low on gas and almost out of fuel and they were planning to bail out.

## Senate Group Drafts Report On MacArthur

Washington, (AP)—Sen. Harry Cain (R-Wash.) revealed last night that eight members of the joint Senate committee that investigated the ouster of Gen. Douglas MacArthur have prepared a report on the hearing.

Cain, a member of the Armed Services committee, said he was one of the signers of the document but when asked if the others also were Republicans he evaded the question.

Senator Russell (D-Ga.), who presided at the MacArthur hearing, said Saturday he would call a meeting soon to decide if a formal report is needed.

Russell had said the joint committees must decide on whether to write a report and, if one is ordered, decide on its scope and write it.

He repeated his own previously expressed view that a report is not called for. He said the testimony had been given wide public attention.

Some Republicans have been asking for a meeting to decide whether a formal report be made, and Russell said he would be glad to call a session as soon as the same committees finish their current consideration of the foreign economic and military aid program.

Asked if the report of the eight supports MacArthur, Cain said only that it presents the views of the signers as to the mistakes made in the Far East.

He cannot subscribe to the idea, he said, that the joint committee make no report to the country after so long a hearing.

## Boys Rescue Four Persons.

Erie (AP)—Two teen aged North Springfield (Pa) boys rescued four Buffalo (N.Y.) residents from their burning cabin cruiser yesterday shortly before it burned and sank in Lake Erie about three miles offshore 20 miles west of Erie.

Two of those aboard the 44-foot, \$40,000 cruiser suffered burns but are not in critical condition. The Coast Guard gave this account:

Walter L. Minicelli, 53, of Buffalo, was piloting his cruiser to Cleveland after an overnight stay at the Erie Yacht club. Aboard were his wife, Catherine, 50, his son, Charles, 12, and a stepdaughter, Marion Biddell, 26.

The motor became overheated and an explosion followed.

Several persons on the shore noted the smoke. Joseph Greer, 14, and Howard Lepold, 12, rushed to the cruiser in an outboard motorboat. They removed all aboard.

Minicelli and his son escaped injury but the two women suffered second degree burns of the arms and legs.

## Moses Denounces Crime Hearings

New York (AP)—Senate Crime committee hearings were likened to "the greatest minstrel show on earth" yesterday by one of New York's most prominent officials.

Park Commissioner Robert Moses combined his minstrel charge with an accusation that the committee tended to keep able men out of public life by making unproven implications of city corruption.

Moses, a Republican known as the father of modern park and highway systems, directed his barbed remarks particularly at Senators Tobey (R-NH) and Kefauver (D-Tenn), former committee chairman.

He made the comments in an exchange of letters with City comptroller Lazarus Joseph in which they discussed the need for able executives to effect city budget economies.

## Chinese Reds Jail Priests, Close Centers

Hong Kong (AP)—Communist police jailed 19 Catholic priests, closed 12 of Peiping's 17 parish centers and put all the rest of the city's 80 foreign missionaries under house arrest in simultaneous raids July 25, church sources reported yesterday.

Describing this as "the most frontal attack" made against the church in China, the sources predicted similar action against Catholics and other Christians throughout Red China.

The Reds have been conducting a campaign for an "independent" Catholic church, having no connection with the Vatican.

The new direct force apparently is intended to force the people to accept this "church" or none.

The Red press and radio, which have carried many items about the "independence" campaign, have as yet said nothing about the police action.

The information came from Catholics arriving in this British colony from Peiping.

These sources, which cannot be named, said those arrested in Peiping July 25 included Father Harold Rigney, former rector of the Catholic Fudan University and the only American missionary still in Peiping.

## Industries Show Higher Rate Of Profit Than 1940

Washington, (AP)—The Federal Trade commission (FTC) reported yesterday that despite higher costs and taxes, "all but three of 25 major manufacturing industries" showed a higher rate of profit in 1950 than in pre-war 1940.

The report, fourth in a series submitted to Congress by the FTC comparing pre-war and post-war rates of return, after taxes, further said that "in all but six industries 1950 profit rates also showed an increase over 1940."

Industries which showed the most striking increases in their rates of return from 1940 to 1950, it added, "were motor vehicles, from 17.3 to 31.7 per cent; matches, from 5.3 to 17 per cent; industrial chemicals, from 14.4 to 23.7 per cent; rayon, from 8.6 to 17.9 per cent; flat glass and glassware, from 11.7 to 21.3 per cent, and petroleum refining, from 6.7 to 14.3 per cent."

The six industries showing a decline in profits from 1940 to 1950 were listed as: Dairy products, cigars, cigars; plug, smoking and snuff tobacco, bread, biscuits and crackers.

## Papers Name W. F. Deming To Ad Post

Walton F. Deming, 40, formerly station manager of WDOS, Oneonta, N. Y., has been appointed national advertising manager for the Daily Record, Stroudsburg, Daily Bulletin, Endicott, N. Y., and the Oneonta Star, according to an announcement released by James H. Ottaway, president of the three newspapers.

Deming was born in Troy, N. Y., and was educated at Lehigh University and Union College. He joined the Oneonta Star in 1939 as local advertising manager; served for 37 months in the Pacific area during World War Two and completed his war service as a captain in the Intelligence section.

During 1950 he was elected president of the Oneonta Kiwanis club and completed two years as a commissioner on the City Recreation board. He has been active in many civic and fraternal organizations including the Elks, YMCA and the Chamber of Commerce.

Deming's family includes Beatrice, his wife, two daughters and a son.

Deming will be succeeded by Ernest F. Oliver, station manager of WESB, Bradford, Pa.

## French Cabinet Minister Slain

Orleans, France (AP)—A promising young French politician who only Saturday won a post in the new French Cabinet was shot to death by his pretty black-haired wife yesterday after he told her he wanted a divorce.

He was 42-year-old Pierre Chevallier, who was named secretary of state for technical education, youth and sports in the Cabinet of Premier Rene Pleven. Police said his wife, Yvonne, confessed to firing five shots from a revolver that killed him almost instantly.

Chevallier was mayor of war-devastated Orleans and a hero of the French resistance movement during World War Two. In private life he was a physician. She was a former midwife.

Chevallier was a close co-worker of Premier Pleven. The premier, shocked by the news of the domestic tragedy, dispatched high officials from his office to investigate.

Friends said the couple had been on bad terms, and that she rarely accompanied him on his frequent trips to Paris made necessary because he was a deputy in the National Assembly (lower house of the French Parliament).

## Pacific Situation Bad, Says Dewey

Wellington, New Zealand, Monday, (AP)—Gov. Thomas E. Dewey of New York said today that the situation in the Pacific is "very bad."

Dewey arrived by plane from Australia for a three-day visit to New Zealand in his tour of south-east Asia and the Pacific.

"Russia has never ceased making war since the end of the Second World War," he told a news conference. "Five wars are going on in the Pacific—in Korea, Indonesia, Malaya, the Philippines, and Indo-China—and nobody else is behind them but Russia, Russia has two objectives: getting Japan and Germany. If she can get both, she can tip the balance of power. Japan's ability to defend herself must be built up."

## Communists Seem More Conciliatory On Thorny Issue

Munsan, Korea, Monday (AP)—United Nations and Communist truce teams met for one hour and 20 minutes today on the crucial Korean buffer zone issue.

There was no announcement of the results. The delegates set the next meeting for 11 a. m. Tuesday (9 p. m., EDT, Monday).

Each side entered today's session searching for a soft spot in the other's demands for a buffer zone.

Both Red and United Nations delegations have held fast to their demands through 12 straight meetings.

The meetings had teetered for three days on the brink of collapse until Sunday's session. Then North Korean Lt. Gen. Nam Il, senior Red delegate, acceded to a formal United Nations request for a map.

The 30 x 48-inch document was closely studied at U.N. advance headquarters Sunday night. For the first time the Reds had put on a map.

One—The present battle lines, paper their concept of:

Two—The 38th parallel which the Reds insist be the buffer demarcation line.

Three—The U.N. command's "original and generalized" proposal for a demilitarized zone.

However, Peiping radio maintained a stiff attitude. An English language broadcast quoting its Kaesong correspondent said no progress can be made unless the Allies "give up their absurd and arrogant proposal and give serious consideration to the just and reasonable proposal of our side."

It said Nam sternly reproached the U.N. delegation Sunday for persisting in the demand for a buffer zone inside Communist positions.

The Allies have called for a demilitarized zone along a defensible line, approximating the present fighting front. It is south of Parallel 38 in the west and well north of the parallel in the center and east.

Responsible sources said they believed that, while the Reds were still vitally interested in drawing a demarcation line along the 38th parallel, they were even more interested in obtaining an armistice.

For this reason it was believed the Reds might retreat from their original stand toward a compromise.

## Senator Humphrey Urges Closing Of Tax Loopholes

Washington, (AP)—Senator Humphrey (D-Minn.) yesterday urged closing of tax loopholes to bring about \$4,500,000,000 extra revenue annually into the Federal treasury.

He made the proposal in a statement sent to the Senate Finance committee which begins work today behind closed doors on revision of the House-passed \$7,200,000,000 tax increase bill.

At the same time a committee member, Senator Martin (R-Pa.), predicted that the Senate group will cut the measure below the House figure.

Martin said the cost of government in the current fiscal year will reach the highest point in history except for two years at the height of World War Two.

He declared \$6,000,000,000 to \$8,000,000,000 should be hocked out of President Truman's budget. This would ease pressure for higher taxes considerably, Martin said.

## Reds Able To Start Great New Offensive

United Nations Headquarters, Korea (AP)—The Communists have made a big military buildup in Korea.

The question is: Are they planning a new offensive if the Kaesong armistice talks finally collapse, or are they pouring in troops merely to strengthen the hand of their negotiators?

High Allied officers agree that the enemy has plenty of power and can attack if he wants to, but Allied intelligence is uncertain whether such an attack will come.

A few intelligence officers will say "probably," but they say it with nothing like the certainty which they were able to forecast the big Red offensives of last January, February, April and May.

Gen. Matthew B. Ridgway confirmed the Red buildup in his report to the United Nations August 3.

Here is some of the evidence available in Korea to suggest an immediate Red drive if the Kaesong conference founders:

One, Unusually heavy truck traffic through North Korea toward the front, starting at the first mention of armistice talks late in June and continuing through mid-July.

Two, An entirely new vigor in the North Korean Army. North Korean units are on both the extreme eastern and western ends of the front and have been putting up some of the most violent resistance to small "limited-objective" Allied thrusts.

Three, Communist artillery has become more plentiful and bolder. Every part of the front now reports Red artillery fire as a routine matter, whereas a few months ago it was exceptional. The Reds then relied almost entirely on mortars for large-caliber fire.

Red prisoners and deserters invariably talk about plans for a "new offensive." In the past they have usually been right.

## California Dems Endorse Truman

Los Angeles, (AP)—The California Democratic organization is on record as perhaps the first state party unit officially to endorse President Truman for reelection in 1952.

The action was accomplished with surprising swiftness and outward agreement at Saturday's session of the executive committee of the Democratic State Central committee.

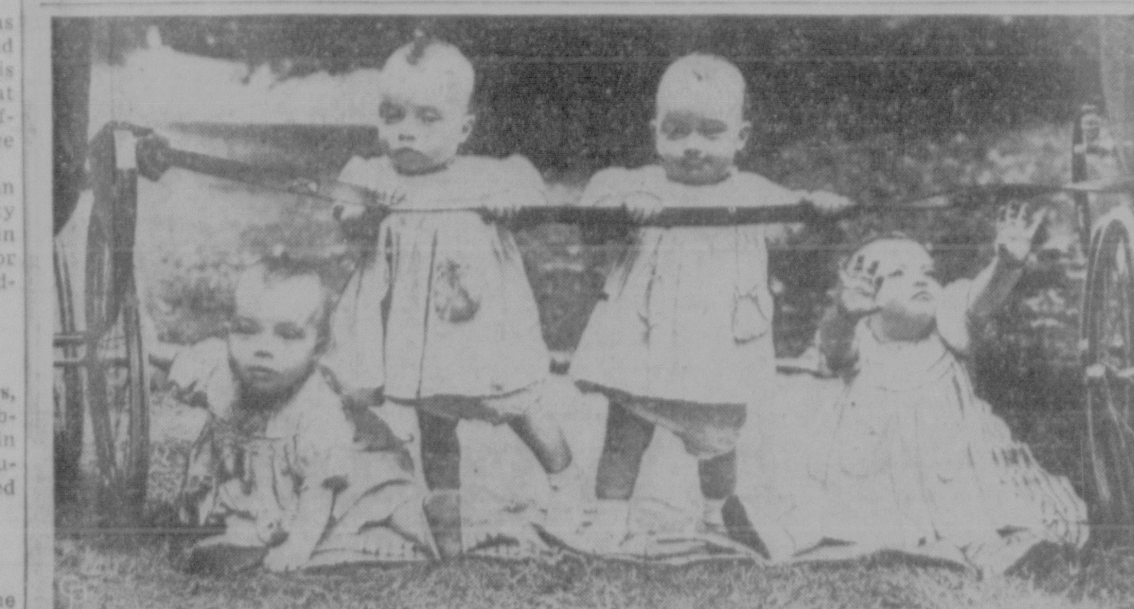

It followed National Chairman William M. Boyle's statement here that he finds the consensus among the country to be that "Mr. Truman is the desired candidate of Democratic party members." Boyle said, however, that Mr. Truman hasn't said whether he'll be a candidate.

## Iran Cool Toward British Proposal

Tehran, Iran (AP)—British-Iranian oil talks got a setback yesterday.

The negotiators cancelled a session at which the British had planned to submit a new proposal for settlement of the dispute over nationalization of the rich Anglo-Iranian Oil Co., more than half owned by the British government.

A source close to the negotiations said the meeting was called off because Iranian officials had expressed privately their coolness to the proposals prepared, but not yet submitted officially, by British Lord Privy Seal Richard Stokes.

## Senate Group Decides Today On Tax Bill

Harrisburg (AP)—A special Senate committee readied a compromise tax package last night for presentation to the Legislature on a "take it or leave it" basis.

Sen. Paul L. Wagner (R-Schuylkill), a member of the six man group set up to find an adequate substitute for the discarded income tax, said the package is expected to be tied together today.

"We expect to arrive at some conclusions relative to Governor (John S.) Fine's budget and some tax recommendations which will be presented as a single package," said Wagner.

Failure to achieve agreement on a substitute for the one-half of one per cent income tax in the past three months, he added, was in a large part due to differences among the lawmakers on various levies.

He said past efforts saw individual taxes put to Republican senators on a piece-meal basis. It saw the Senate GOP caucus split on exactly which of the levies would compromise the package.

Both Wagner and Sen. G. Graybill (D-Helm) (R-Lancaster) disclosed that the committee is expected to decide this morning on the nature of the specific levies that will be part of the tax package.

Taxes the committee have considered in developing the "package" include:

Revival of the discarded soft drink tax of one cent a bottle, which raised \$27,000,000 annually before it was dropped June 1.

Increase the five per cent corporate net income tax to six per cent to raise \$44,000,000. That levy was boosted one per cent earlier in the session.

A new five per cent tax on natural gas consumption.

A gift tax aimed at persons in anticipation of death, who transfer property or money to avoid inheritance taxes.

Boost inheritance taxes from the present two per cent on bequests to immediate relatives and 10 per cent on other heirs.

Impose a new tax on tobacco products, other than cigarettes to produce \$10,000,000.

Double the present tax of one cent a pint on beer, increase the liquor tax from 10 to 12 per cent and impose a levy on liquor license transfers.

Meanwhile, the Governor announced on the weekend that he had no plans to "resurrect" the one-half of one per cent income tax killed by the Senate Finance committee by a 10-7 vote last Tuesday. He conceded that it was "dead."

The action left a \$119,000,000 gap in the Governor's \$1,220,000 budget for the next two years which the committee has been attempting to fill.

"My main goal right now is a solution of the tax situation to ease the tension for everyone concerned," said Fine.

In addition to the budget, some \$30,000,000 in appropriations are pending in the Legislature, including \$36,000,000 for school teachers' salary boosts, \$9,000,000 to raise the pay of State employees and \$814,000 to increase judges salaries throughout the State. Recommendation to cut a proposed \$20,000,000 appropriation for civil defense to \$14,000,000 and to make some other cuts in appropriations.

With those adjustments, both upward and downward, some sources placed the amount to new revenue to be raised through additional taxes at around \$140,000,000.

## Vets Demand Red Roundup

Harrisburg (AP)—The State Veterans of Foreign Wars yesterday asked the Federal government to start a "sweeping roundup" of Communist party leaders in Pennsylvania.

The request was made by James J. Davis, of Philadelphia, State VFW commander, in a letter to U.S. Attorney General McGrath.

"Pennsylvania is too important in our defense plans to allow Communist practitioners to perfect their diabolical plans that have as their sole purpose our destruction," the letter stated.

It added that the Federal government has made good progress in rounding up Communists in New York and California, and urged that Pennsylvania be included next in the anti-subversive drive.

Copies of the letter were sent to Gov. John S. Fine and Attorney General Robert E. Woodside. They were informed that the VFW would appear in support of a loyalty oath bill for Pennsylvania at a public House hearing on the measure Tuesday. The bill would require anti-Communist oaths by all public employees in the State.

## Three Suffer Injuries In Motor Crash

Echo Lake—Three persons were injured in a two-car collision here at 11:50 a. m. yesterday on Route 209.

They were: Mrs. Camillo Grande, 31, Bronx, N. Y., wrenched neck and bruised right knee; James McCormack, 20, Jersey City, N. J., wrenched neck and shock; and Lewis Manganiello, 20, Jersey City, a mouth cut which required five stitches.

The accident occurred when Camillo Grande, 31, east-bound, tried to turn left onto a private road leading to Echo Lake farms. A west-bound sedan driven by James McGivney, 21, Jersey City, collided with the Grande car. Each driver later told police, "I thought he was going to wait for me."

Mrs. Grande who was not treated at the scene, said she would see her family doctor today. The other injured, all passengers in the McGivney car, were taken by passing motorists to the office of Dr. George J. Heid, Bushkill, for treatment.

## Combines Will Rust In Iran, Senator Fulbright Contends

Washington, (AP)—A State department proposal to send Iranian farmers some self-propelled harvesting combines costing \$4,500 each drew criticism yesterday from Senator Fulbright (D-Ark.)

Fulbright told a reporter he thinks this is just one example of how, as he put it, the economic and technical aid program outlined by the State department for some areas of the world is missing fire.

"The Arkansas senator has been listed in the past as a strong supporter of the department's economic and cultural programs. 'Certainly we ought to help these people but we ought to go

about it in a simple way in the beginning," Fulbright said. "Those people don't know how to run combines and if we ship them to Iran, they'll just be stored in some field to rust."

"Let's begin at the beginning and show them simple improvements over the methods they now are using instead of trying to make a grandstand show of helping them."

The plan to send some 4,500 harvesting combines to Iran was disclosed in testimony before Senate committees by George C. McGhee, assistant secretary of state.

## R. T. Fatzinger To Be Guest At Meeting

Richard T. Fatzinger, son of Mr. and Mrs. Fred Fatzinger, Stroudsburg, will represent the U. S. Department of Agriculture at the annual Pocono Forestry association meeting to be held Friday at Chir-nock's Tobyhanna inn.

He will be a guest at the special patriotic program to be given at the site of the U. S. Signal depot, Tobyhanna. Dale H. Learn, second vice president of the association will give a patriotic address starting at 2:30 p. m. Following his talk, a brass quartet, under the direction of Paul Bartholomew, will present a few selections.

The appearance of two congressmen, Francis E. Walter, from the 20th district, and Daniel J. Flood, from the 11th district, will highlight the program, which is to be entirely an outdoor affair.

# 28th Division Begins Maneuvers At Fort Bragg, N. C.

## Pennsylvania Troops Start On Defensive

Fort Bragg, N. C., (AP) — Pennsylvania's 28th Division is on the defensive as the huge "Exercise Southern Pine" maneuvers gets under way here.

The maneuver became "tactical" at one minute past midnight this morning and for the next 15 days the Pennsylvanians will see training exercises of the most difficult variety.

All major units of the 28th were in position at noon yesterday. The special troops units of the division poured into the maneuver area by rail and motor early yesterday.

These were the last two major convoy groups to arrive. The division is now complete except for a small rear detachment convoy due at Fort Bragg Tuesday.

(The 109th Infantry Regiment, including Company G, East Stroudsburg, arrived at the camp last Friday.)

"Complete satisfaction" with the manner in which the division moved from Camp Atterbury, Ind., during the past week was expressed by Maj. Gen. Daniel B. Strickler, 28th commander.

The troops are in widespread bivouac areas assigned them and were busy all day yesterday making final preparations for the start of the maneuver.

More than 60,000 troops will be allied with the 28th Division to form the "friendly" force. They will be opposed by an airborne "aggressor" army of more than 20,000. The entire Joint Army-Air Force maneuver will be the largest since World War Two.

During the maneuver, the 28th will be attached to VII Corps along with the two other divisions taking part in the exercise, the 43rd Infantry Division and the 82nd Airborne Division.

VII Corps is commanded by Maj. Gen. Withers A. Burress who commanded VI Corps and directed 28th Division training at Camp Atterbury for several months last spring.

The 28th's new assistant division commander, Brig. Gen. John E. Van Houten, arrived at Fort Bragg Friday from Fort Benning, Ga. General Van Houten, a regular Army officer, had organized and commanded the ranger training center there before being assigned to the 28th. On his arrival, he said he would direct training of the division's three infantry regiments.

Meanwhile, the 28th welcomed back one of its units which has been separately trained at other camps since February. That unit is the volunteer-organized 12th Ranger Co. which arrived early Saturday along with division special troops.

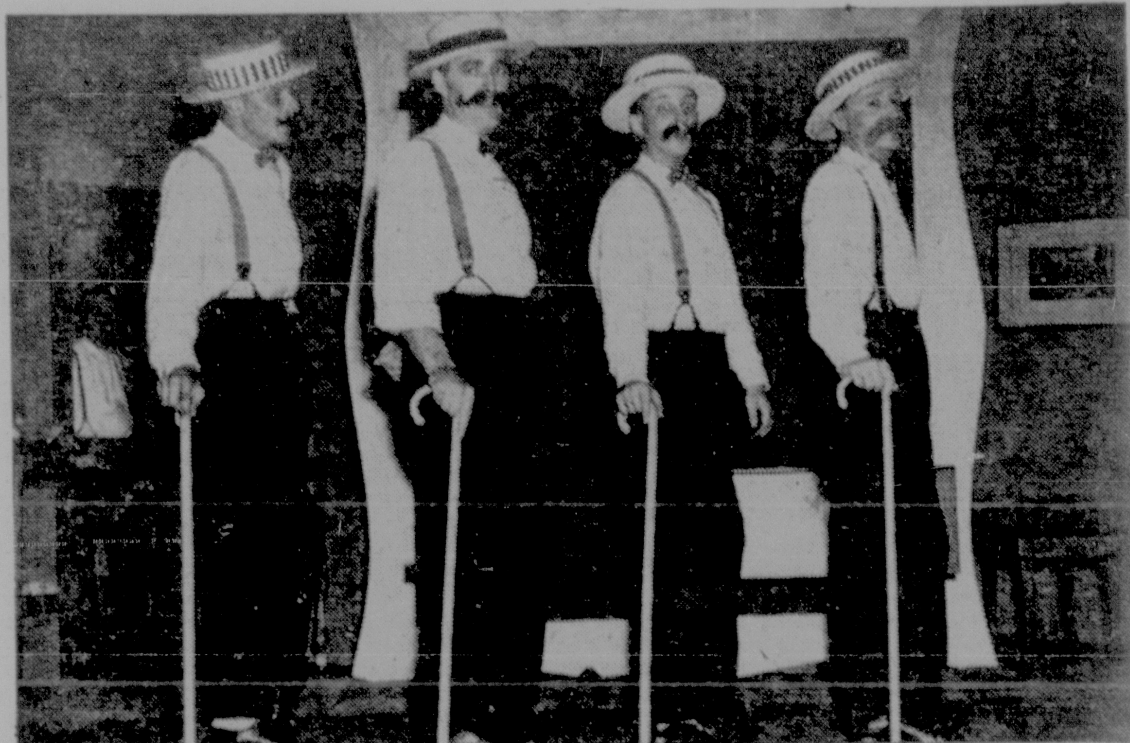

Made up from volunteers drawn from the 28th, commanded by Capt. Harold V. Kays, of Mendon, Pa., the 12th Ranger Co. was trained first at Fort Benning, Ga. General Van Houten and then sent to Camp Carson, Colo., for mountain training.

This highly versatile unit has been trained as an airborne unit, mountain unit, ski troops, and many other specialized jobs.

They are new to the division and to the Army all over, having been organized since World War Two. Since the ranger training program was largely the work of General Van Houten, however, the 28th expects no difficulty in finding missions for its newest and most highly-specialized combat unit.

## Four East Stroudsburg Boys Advance To Life Scout Rank

Four East Stroudsburg Scouts were advanced to the rank of Life Scout at the Delaware Valley Area council's semi-annual Eagle Court of Honor held Friday night at Camp Weygand.

The boys who achieved scouting's second highest rank were Sheldon Bernbaum, Benjamin Hartman, and Lawton Huffman, all of Explorer Post 98, East Stroudsburg; and Leslie Bernbaum, Troop 81, East Stroudsburg. They were presented their insignia by Roger Dunning, advancement chairman of District 4.

In London, Princess Anne poses with her mother, Princess Elizabeth. The royal infant was tickled by her experience when she was photographed with her parents, Princess Elizabeth and the Duke of Edinburgh, and brother, Prince Charles. She will be one year old on August 15. Her parents plan a visit to the United States and Canada in October.

## Small Blaze Extinguished

A small fire in the basement of a residence on Wild Animal Farm Rd., about 300 yards northeast of Route 611, was extinguished at 2:30 p. m. yesterday by the Stroudsburg Fire company. The blaze started among some paint cans on a shelf. It caused minor damage.

## Yanks Reach Italy, Leave For Austria

Leghorn, Italy, (AP)—Fourteen hundred serious-faced American soldiers landed at this west coast port yesterday.

It was the first large scale arrival of American troops in Italy since Allied armies liberated the country from Fascism.

Communist efforts to disrupt their arrival by a strike of 14,000 Red-controlled dock workers failed.

There was only the normal Sunday calm in this Communist-governed city beside the sunny Tyrrhenian.

All but 100 of the new arrivals left by train to reinforce U. S. occupation forces in Austria. They will go through the Brenner pass in the first use of the new supply line intended to safeguard U. S. Austrian forces from any sudden attack which might cut off the former route across Germany.

The 12,500-ton transport General R. E. Callan pulled alongside at 8 a. m.

A truckload of armed Italian police guarded the entrance to the port about a half mile away. There was no Communist effort to disrupt the landing.

## Young Man Jailed Pending Hearing

Edward Sargent, 20, who gave his address as 1136 Dreher Ave., Stroudsburg, was arrested last night on Greenway Ave., and charged with disturbing the peace. He was committed to Monroe county jail pending hearing before Justice of the Peace Marshall H. Neyhart at 7 p. m. today.

## Frank Stratton Suffers Attack

Bangor—Frank Stratton, 54, of Bangor, was stricken with a heart attack while vacationing at Atlantic City Saturday. He was taken to the Atlantic City hospital. At last reports, he was in critical condition. Mr. Stratton is well known around the Bangor Stroudsburg area as a lineman for the Blue Mountain Telephone Co.

## New Legion Leader To Take Leave

Pittsburgh (AP) — Jack Dodson, newly elected commander of the Pennsylvania department of the American Legion, will devote his full time to the job of heading the country's largest group of Legionnaires.

Dodson, a State police lieutenant commanding Troop A, Squadron 1, of the State police at Greensburg, was elected Legion commander at the closing session of the organization's 33rd annual convention Saturday. He got 1634 votes to 951 for attorney John H. Elder Jr., of Pittsburgh.

Soon after his election, the 52-year old veteran of World War Two who won the Silver star for heroism in France, declared:

"I plan to take a year's leave of absence from the State police when I formally take over as commander of the Pennsylvania department. That will be about October 21, after the national Legion convention in Miami.

The Legion commandment does not carry a salary. Although I will get expenses, I probably will lose some money in my year as commander."

Dodson, who succeeds Joseph McCracken of Kingston, said in his acceptance speech he will continue the Legion's fight for Americanism and for enactment of legislation to force teachers and public officials to take loyalty oaths. Later, Dodson added that one of his chief aims will be the rehabilitation of veterans," adding:

"Then, too, we will be much interested in the welfare of widows of veterans, children of veterans and, especially, wounded veterans."

## Ralph Macnichol Honored At Rites

Funeral services were held yesterday afternoon at the Dunkleberger and Westbrook funeral home for Ralph W. Macnichol, 1803 Main St., Stroudsburg. Rev. Walter Johnston, pastor of the Stroudsburg Methodist church, officiated.

pallbearers were Raymond Price, Jr., Bernard P. Peters, Clinton Farnese, Roger L. Kimble, Stanley J. Harmon and Stanley H. Bush. Interment was in the Stroudsburg cemetery.

The sturgeon sometimes grows longer than 12 feet.

## Driver Of Station Wagon Falls Asleep, Hits Rocks; Oncoming Car Hits Wreckage

Delaware Water Gap—Ernest Ericson, New York, N. Y., was in Monroe County General hospital yesterday after the car in which he was riding hit an overturned station wagon at Point of Gap on Route 611.

He suffered a brain concussion, three broken ribs and cuts, according to Police Chief Fred Decker, but his condition was described as "satisfactory."

The west-bound station wagon was driven by Robert S. Gates, 31, Ridgefield Park, N. J., who told Chief Decker he "fell asleep at the wheel," about 11:50 p. m. Saturday.

The vehicle crossed the east-bound traffic lane, ran into the rocky mountainous wall bordering the road and tipped over on its right side.

It was struck immediately by an east-bound car with James N. Shells, 28, New York, N. Y., at the wheel.

Neither driver was injured, but the Shells' passengers, Mr. and Mrs. Ericson and Mrs. Shells, were taken to the county hospital. The two women were released after treatment for shock and bruises.

Chief Decker set damage at \$800 for the station wagon and at \$450 for the sedan.

HERE'S AN AIR VIEW of the wreckage after a head-on-crash of a Marine troop train and a Kansas City Southern streamliner in a swampy area near Simmesport, La. At least 11 persons were reported killed and more than 60 injured in the collision. About 300 Marines were aboard the troop train. Passengers on the crack streamliner credited the Marines with "saving many lives" by administering first aid.

## Paying, Always Paying

Our principal statistician, the Census Bureau, is telling us something most of us know—if we're been feeling our wallets lately.

The Census Bureau says government—Federal, state and local—last year took away \$360 for every person in the country; man, woman or child.

Of course, everybody didn't pay that much. It's an average figure. The breadwinners, on the whole, paid a lot more. There are two striking facts about this simplified statistic:

One is that nine years ago, just as we were getting well into World War II, the comparable figure was only \$171. In nine years, the cash outlay for government has more than doubled!

The other stunning fact is that Uncle Sam has been hogging an increasing proportion of the tax collections. He took 70 per cent of the total last year, according to the Census Bureau.

State and local governments, in some instances, have been increasing taxes this year. But the Federal Government expects to collect, in the fiscal year which began July 1, seven or eight billion dollars more than all government collected last year.

Such statistics will get worse and worse until the public—or somebody—convinces government officials, especially those in Washington, that there is a difference between necessary spending and spending just for the hell of it.

## Thirty Years Too Soon

Scientists first got wind of it back in World War I days, in the tests of men drafted for the Army. The boys from certain parts of the Southwest had sounder teeth than the others.

World War II tests confirmed it, and medical science tracked down the source—mineral elements in the drinking water. Dentists devised ways of painting the teeth of children with sodium fluoride to guard them from decay.

Then science found a way of treating the drinking water of entire cities, so that the children of those cities could enjoy the same dental advantages of those from the favored Southwest areas.

This newest gimmick is coming to various communities in Pennsylvania. But, for most of us, it's a case—again—of having been born 30 years too soon. Only children will benefit from the chemicals to be added to the water. The rest of us will continue to have our old-fashioned toothaches.

## Hungary Warned

Secretary Acheson's disclosure that records are being kept on Hungarian Communist officials who are conducting mass persecutions in that country should serve as a warning to the commissars that they may face a day of reckoning.

That day may not be as distant as it seems. The vast prison camp enclosed by the Iron Curtain will break its bounds at the first opportunity and then the jailers will become the jailed.

It must be assumed, however, that the Reds also are keeping books on the leaders of the free world, particularly those most active in opposing Communism.

So if we go to war against Communism we must win, or face extinction at the hands of as ungodly a crew as this earth has known.

The success or failure of the present rearmament effort may determine whether we are to sit in judgment or in dock.

One million persons witnessed the unveiling of the Statue of Liberty on Bedloe's Island, New York, October 28, 1887.

## Try And Stop Me

By Bennett Cerf

If just a little of the rainfall that beats down so persistently on the coastal region of Washington and Oregon could be transferred to the bone-dry areas of lower California and Arizona not so many hundred miles to the south, it would be a wonderful deal all around.

One day you're listening to a southwestern farmer praying for any kind of shower to break a seven-month drought; the next a University of Washington professor saying, "That majestic peak about sixty miles to the south-east is Mount Rainier, of course. I use it as a weather guide every morning. If I can see it when I awaken I know it's going to rain later in the day. If I can't see it I know it's raining already." When Seattle folk can see Mt. Rainier or when Mount Hood is visible to the citizens of Portland, incidentally, the common phrase is "Oh, look, the mountain is out today."

The cause of all the rain is the Japan current, which warns the air blowing in from the Pacific. The warm air turns into rain when it collides with the formidable Cascade range.

## Hollywood

By Gene Handsaker

Hollywood — The wonderful thing about child actors, says Director Norman Taurog, is that they don't act. "Work" to them is play, and their emoting consists of natural reactions.

Mickey Rooney, at 16, had to cry in "Boys Town." His little brother had just been struck by a car. Taurog discussed with him how he'd feel if he had a little brother and the youngster was hurt. Soon Mickey was bawling beautifully, and the scene was made in one take. "Holy catfish!" yelled Mickey. "I never knew I could cry real tears!"

"To me," Taurog says, "that's not acting; it's the natural reaction of a child."

In another film Darryl Hickman, then 9, had to weep. "It's sissy," he objected. "The kids'll make fun of me." Taurog ascertained that Darryl was strongly devoted to his grandfather. "Your grandfather's in that cell with you," he suggested (it was a jail scene, supposedly in November), "and he can't have Thanksgiving dinner." Darryl's tears flowed nicely for the camera. Taurog got two subsequent crying takes by working on the boy's love for his baby sister.

Taurog has directed many children without losing his sanity or his good humor. They've included Jackie Cooper in "Skippy," Jackie Coogan, at 12, in "Huckleberry Finn," Judy Garland, in three of her teen-age films, and Margaret O'Brien at 11.

## These Days — — By George E. Sokolsky

The Heart of The Problem In all the discussion of the West Point scandal, the emphasis lies on the immediate, on the young men, who are often euphemistically called boys, on the officers, on the parents. Many say, "Boys will be boys," which is biologically correct; until boys become men with the obligations and responsibilities of men.

Others feel that football players have to do so much practice that they cannot keep up with their work unless they are "assisted." And nothing is being said about the cadets who have not cheated.

The real issue is the nature and purpose of a college, university or other school, and of such special schools as West Point and Annapolis. This issue has, more or less, been dodged by many educators as well as parents, since it has become increasingly popular for young men and women to go to schools of higher education and special training whether they have an aptitude for scholarship or not.

The question then arises whether students attend to broaden their minds and spirits or to make friends or to mark time or to play what has come to be professional or semi-professional sports. When scholarships are given to men and women because of their excellence as students, the reward is in the field to which the universities have been devoted since the founding of Bologna in the eleventh century.

The athletic scholarship is a fee paid for special services rendered outside of scholarship. The object is to make money for the school, to attract box office receipts to advertise the institution. It is strictly a business proposition and those to whom the fees are paid are professional performers—in whole or in part depending upon the individual and the school.

Sometimes such paid performers are also capable of scholarship; often scholarship is not only foreign but offensive to them. In the latter instance, if they are good enough performers to be of commercial value, they are "assisted" to pass examinations so that they may comply with rules, and regulations.

At such a school as West Point, this raises three important issues:

1. Under the honor system,

the individual who "assists," the individual who is "assisted," and anyone who knows about it is honor bound to report the fact. West Point is a free school, the tuition, board, lodging, uniforms and other expenses being paid by the taxpayer. Also, the students are soldiers in the Army, drawing pay. They are especially bound by rules and regulations in compliance with which they receive these benefits from the taxpayers.

2. These men are to be our Generals of the future upon whom the survival of the nation depends. The United States makes a huge investment in each one of them, not only to be "educated," as you and I might have been at college, but to protect, defend and safeguard the nation and the constitution. They are men apart, whose word must be inviolate for the safety of the nation. Therefore, the word, honor, must have, for them, a special and emphatic meaning.

3. The standing of a West Point man is not only a matter of personal pride; it is a matter of record, upon which an officer's career may depend. Even now, 48 years after his graduation, the fact that General Douglas MacArthur stood first in his class is significant.

kind who puts salt in his neighbor's coffee, sings maudlin songs about the fellowship of man and gives the secret grip to his brother members with grim earnestness—was somewhat broader than the humor in the rest of Mr. Gibbs' comedy. He was terribly funny.

Mr. Mayhoffer was the guest of honor the other morning at a ceremony that was unique in the annals of New York. Since the ceremony was in the morning, it was asking too much of Mr. Mayhoffer to be terribly funny in the taxicab he took to the scene of the ceremony, but he tried manfully. The morning is the middle of the night to nightclub entertainers, and while Mr. Mayhoffer seems to have graduated to movies, television and the stage, he was a saloon performer long enough to have acquired all their habits.

It appears that during the recent war, Eddie, his assorted physical ills having frightened the Army and Navy into refusing to accept his services, joined the Coast Guard. The Coast Guard served America in useful and glamorous fashion in the war—but Eddie's services were merely useful. He was assigned to a tugboat as a deckhand.

The war ended after Eddie had decked his way through about three months of service, but in that time he made many friends in his new profession. When they learned that he had just finished his first movie—he plays Jerry Lewis' father in Paramount's "That's My Boy"—they decided to give him an award.

## Looking at Life

By Erich Brandeis

Brandeis

I wish I could look into the future, let us say five or ten years ahead. I would like to know what is going to happen to these three.

I would like to know what they can do to or for people.

Who is there among us who to himself has not said: "If I only had some money! All the things I could do!"

These three have come into money. What are they going to do with it?

First there is Norman F. Beards of Cincinnati, to whom Mrs. Louise A. Slimer left more than \$250,000 in stocks "for faithful and unflinching services to me for many years."

She also left him a motorboat and a high-priced automobile. Mr. Beards was Mrs. Slimer's chauffeur. He is 62 years old, married, and has no children.

"I'm not going to change our way of living one little bit," he told a reporter.

I wonder.

Stephen B. Church, pioneer artist in well drilled of Oxford, Conn., left more than \$2,000,000.

Approximately \$1,000,000 will be divided between the Town of Oxford for a new Town Hall; Trinity Episcopal church for a memorial fund; Griffin hospital.

There are other bequests, but this is the one I am wondering about.

To his secretary, Miss Jessie A. Davis, he bequeathed his home—sited "Oxfordshire" in Oxford, together with land, three autos, livestock, personal belongings and

If cadets are "assisted" the record is inaccurate. That assistance, on the other hand, may result in better men being kept lower on the list because they do not play football. It means that the standing of these soldiers and gentlemen is false. If the West Point records are falsified, we do not know any longer what kind of officer material is coming out of that school; we have no measure to decide whether it is safe to entrust them with the responsibilities for which they receive special training at the taxpayers' expense.

This, it seems to me, is the heart of the problem. A full and serious congressional investigation needs to be made of the entire situation, in a broad spirit, without regard to individuals.

West Point is either a school for military officers and gentlemen or it is a show place which Billy Rose might manage and save the taxpayer the cost. And these criteria could with advantage be applied to many prep schools, colleges, and universities. Perhaps some day, in their search for advertising methods, to raise funds, or to attract attention, schools will hire a corps of showgirls to put on an exhibition of slightly clothed pulchritude. But that is not education.

It appears that during the recent war, Eddie, his assorted physical ills having frightened the Army and Navy into refusing to accept his services, joined the Coast Guard. The Coast Guard served America in useful and glamorous fashion in the war—but Eddie's services were merely useful. He was assigned to a tugboat as a deckhand.

The war ended after Eddie had decked his way through about three months of service, but in that time he made many friends in his new profession. When they learned that he had just finished his first movie—he plays Jerry Lewis' father in Paramount's "That's My Boy"—they decided to give him an award.

## Looking at Life

By Erich Brandeis

I wish I could look into the future, let us say five or ten years ahead. I would like to know what is going to happen to these three.

I would like to know what they can do to or for people.

Who is there among us who to himself has not said: "If I only had some money! All the things I could do!"

These three have come into money. What are they going to do with it?

First there is Norman F. Beards of Cincinnati, to whom Mrs. Louise A. Slimer left more than \$250,000 in stocks "for faithful and unflinching services to me for many years."

She also left him a motorboat and a high-priced automobile. Mr. Beards was Mrs. Slimer's chauffeur. He is 62 years old, married, and has no children.

"I'm not going to change our way of living one little bit," he told a reporter.

I wonder.

Stephen B. Church, pioneer artist in well drilled of Oxford, Conn., left more than \$2,000,000.

Approximately \$1,000,000 will be divided between the Town of Oxford for a new Town Hall; Trinity Episcopal church for a memorial fund; Griffin hospital.

There are other bequests, but this is the one I am wondering about.

To his secretary, Miss Jessie A. Davis, he bequeathed his home—sited "Oxfordshire" in Oxford, together with land, three autos, livestock, personal belongings and

If cadets are "assisted" the record is inaccurate. That assistance, on the other hand, may result in better men being kept lower on the list because they do not play football. It means that the standing of these soldiers and gentlemen is false. If the West Point records are falsified, we do not know any longer what kind of officer material is coming out of that school; we have no measure to decide whether it is safe to entrust them with the responsibilities for which they receive special training at the taxpayers' expense.

This, it seems to me, is the heart of the problem. A full and serious congressional investigation needs to be made of the entire situation, in a broad spirit, without regard to individuals.

West Point is either a school for military officers and gentlemen or it is a show place which Billy Rose might manage and save the taxpayer the cost. And these criteria could with advantage be applied to many prep schools, colleges, and universities. Perhaps some day, in their search for advertising methods, to raise funds, or to attract attention, schools will hire a corps of showgirls to put on an exhibition of slightly clothed pulchritude. # PP&L To Buy New Power Plant Site Along Delaware

## Firm Plans To Expand Its Facilities

Pennsylvania Power & Light Co., President Charles E. Oakes yesterday issued an official confirmation of the company's proposed purchase of a new power plant site along the Delaware river. "Negotiations for the property," he said, "have now reached the point where our plans can be made public. Projected at this location is a power plant of considerable proportions. The first unit of 125,000 kilowatts was ordered four months ago and announced publicly at that time.

"PP&L," he said, "has options on a 445-acre tract on the Pennsylvania side, comprising major parts of the Kiefer, Snyder, Rosenberry and Hartung farms, some four miles up river from Martins Creek. Purchase arrangements are expected to be completed in the near future. The new unit is the fifth in a series of post-war capacity additions by the local utility, and is slated to go into service during 1954. Of the previous four, all at Sunbury plant on the Susquehanna and totaling 375,000 kilowatts, three are now in service and foundations are being finished for the fourth to be ready in 1953. The site on the Delaware also provides ample room for similar capacity additions when needed."

Describing the present power supply situation in central eastern Pennsylvania, President Oakes said it was "excellent" . . . and that it is part of regular practice among business-managed electric companies to plan for as much as 10 years ahead so that adequate power is continually ready in advance of customers increasing demands.

"In spite of the fact that we have to date put over \$145 million into our postwar expansion program, we anticipate substantial increases in power demand to continue during the five to ten years ahead, and we are already preparing ourselves now for those future requirements. Our long term studies indicate that the company may for some time to come find it necessary to add 100,000 to 150,000 kilowatts of new electric generating capacity to its system every two or three years.

"Ever since the close of World War Two, the business-managed electric companies across the nation have, in their gigantic construction program, been putting into service every last piece of material the nation's power generating equipment manufacturers could produce. In fact, the past six-year construction program of the electric industry is the largest ever attempted by any one industry in such a brief period in the history of the world.

"The record of the industry in meeting the public's needs has been magnificent. The only foreseeable tightening of future power capacity would be if the nation's defense needs require diversion of materials and equipment now on order and already planned by the electric industry.

"The military defense program," said Mr. Oakes, "depend on the nation's industrial production machine. Industrial production, in turn, depends upon electricity to power mines, mills and factories. Therefore, even in the tightest crisis, it hardly seems logical that electric capacity expansion be held back."

## Defense Show To Attract County Heads

Monroe county civil defense officials on August 24 will attend a State defense show at Indiantown Gap military reservation.

Present at the three-day show, billed as the "most elaborate" yet staged in the nation, will be President Judge Fred W. Davis, county defense director, and Jack Anderson, assistant director.

The invitations were received here yesterday from Harrisburg. Dr. Richard Gerstell, State civil defense director, said invitations went out to more than 200 local officials and other defense personnel in all 67 counties.

Purpose is to show "civil defense in action," Dr. Gerstell said.

"We will show our officials just what it may mean to have to cope with a major disaster." The show will be staged jointly by the Civil Defense Council, Pennsylvania National Guard and the U. S. Army.

## Appropriations To Average Over \$500 Per Capita

Washington (AP)—Congressional appropriations this year are almost certain to reach a peacetime high of more than \$500 for each man, woman and child in the U.S. With all the regular money bills already passed by the Houses, approximately \$70,500,000,000 has been voted for the fiscal year that ends next June 30.

The amount is likely to be boosted by the Senate before the bills reach President Truman.

In addition, an appropriation of \$7,000,000,000 or more will be needed later this year to finance foreign military and economic aid programs, boosting to more than \$77,500,000,000 the foreseeable 1951 appropriations.

## Dent Boomed For U.S. Senate

Philadelphia (AP)—State Sen. John Dent has been called Pennsylvania's leading Democratic contender for the U. S. Senate in 1952. The 43-year-old Dent is Democratic minority whip in the Pennsylvania Senate.

Former State Sen. H. Jerome Jaspas praised Dent for leading the opposition to Gov. John S. Fine's proposed State income tax. He said Dent, of Westmoreland county, is the State's leading candidate for the U. S. Senate.

Dent has not announced any intention of campaigning for the congressional post next year.

## Three Boys To Represent Monroe County In 4-H Club Week At Penn State College

County Agent Arthur E. Hft, of Stroudsburg, announced last night that three area boys will represent Monroe county at the 27th annual 4-H club week beginning at State College today.

Edward Hulse, of Sciota; Alton Kleintop, of Kunkletown, and Ernest Kleintop, also of Kunkletown, will comprise a poultry judging team which will compete with teams from all over the State. They will judge three classes of birds for egg laying and one class for meat on Tuesday, the day judging contests will feature the program.

The boys will be driven to Mauch Chunk early this morning where they will meet the delegates from Carbon county. A bus will then take the group, accompanied by Harold Stewart, assistant county agent in Monroe and Carbon counties, to State College.

The 1100 delegates to the convention, representing some 28,000 members throughout the State, will also engage in home economics demonstrations, livestock judging and entertainment during the four-day program.

Besides receiving a dozen different trophies, a number of winning teams will qualify for expense-paid trips to various national exhibitions where they will compete for national honors.

Tonight, the delegates will hear an address by Dr. Milton S. Eisenhower, president of the host Pennsylvania State College.

## Miss Joan E. Bean Becomes Bride Of Lester G. Brush

The East Stroudsburg Presbyterian church was the scene of the candlelight wedding of Miss Joan Elmina Bean, daughter of Mr. and Mrs. Elmer P. Bean, of 175 King St., East Stroudsburg, and Lester Glenn Brush, son of Mr. and Mrs. Layton Brush, of Wooddale.

The impressive double ring ceremony was performed at 7:30 p. m. Saturday by Rev. Frank W. Wingerter, the pastor, in the presence of many relatives and friends.

The church decorations consisted of white gladioli and candelabra. Suitable organ music was furnished by Walter Schlough, the church organist.

The bride was given in marriage by her father. She wore a white suit with matching hat and gloves and carried a white Bible on which was a lavender colored orchid and streamers of baby breath and greenery.

The matron-of-honor was Mrs. Nelson R. Cramer, of 312 S. Courtland St., sister of the bride. She wore a turquoise blue suit with white accessories and corsage of white gardenias.

Paul Arnet, brother-in-law of the bridegroom was best man.

The ushers were Gilbert Bean, of Phillipsburg, N. J., and Emerson Stanton, of East Stroudsburg, cousin and brother-in-law of the bride, respectively.

The mother of the bride wore a white Benberg print dress with white accessories and black hat. The bridegroom's mother chose a navy blue suit with white accessories. They both wore corsages of red rosebuds.

The reception following the wedding was held on the lawn of the home of the bride's parents. A buffet lunch was served highlighted by the three-tier wedding cake surmounted with a miniature bride and bridegroom. There were guests in attendance from Baltimore, Md., Easton, Phillipsburg, N. J., and Allentown.

They left on a honeymoon trip of undetermined destination. The bride selected a green dress with white accessories for traveling.

The bride was graduated from East Stroudsburg High school in the class of 1949 and is employed at the Art Metal plant.

The bridegroom was graduated from East Stroudsburg High in the class of 1946 and is now in the U. S. armed services, taking mechanical training at present at Aberdeen, Md., having been transferred there about a month ago from Ft. Hood, Tex., where he had been located three of four months. The bride will remain with her parents.

## Wyckoff Group Attends Church In Mt. Pocono

The employees of the Wyckoff-Sears department store, Stroudsburg, made their annual pilgrimage to the Roman Memorial chapel, Mount Pocono, Sunday morning and attended services there.

The group was welcomed by Dr. Ford, who was in charge for years, but whose health has curtailed his activities. Rev. Wacher, of Pocono, preached the sermon. Miss Dorothy Lizette, Stroudsburg, was soloist.

At the conclusion of the church services, the Wyckoff party, some 150 in all, enjoyed dinner at the Old Heidelberg Inn.

## Mrs. Irwin's Speaker Before Bushkill Club

**Bushkill.**—The Bushkill Garden club met Thursday afternoon, Aug. 9, on the lawn of the residence of Mrs. J. Blanford in the beautiful flower gardens. Mrs. Edwin Bartram, past president, presided in the absence of Mrs. Argus Miller, the president.

Mrs. Robert Irwin gave a talk on lilies and ferns and showed specimens of those plants in the locality illustrating her remarks.

Mrs. Mendler was hostess. Refreshments were served to the following members: Mrs. B. H. Bensley, Mrs. Edwin Bartram, Mrs. Robert Irwin, Mrs. Ella Bixby, Mrs. Horton Stettler, Mrs. Charles Fisher, Mrs. C. N. Gulliot, Mrs. Mendler, Miss Lillian Wells, Mrs. N. N. Gulliot, Mrs. J. Blanford.

Guests were Mrs. Vernon Dithmer, Mrs. Marks and Mrs. Blanford's sister-in-law.

The next meeting will be held Sept. 13 at the fire house with Mrs. Ralph Turn Jr. in charge of arrangements. She will have as her theme "Winter Flower Arrangements."

## Sketchbook Show Given At Shawnee

The "Shawnee Sketchbook," sponsored by the Ladies Auxiliary of the Shawnee Fire company, played before an S.R.O. audience at Worthington Hall Saturday night.

Don Ameche, television and screen star, was master of ceremonies for the show and delighted the audience with his usual suave charm and regaled them with his ad lib and jokes.

Previous to the opening of the performance the audience was entertained with orchestral selections by Mrs. Robert Bradburn, pianist; Louise Gorman, violin, and Melvin Mery, East Stroudsburg, cello.

The barbershop quartet opened the program. Included were Keaton Christenberry, Donald Witcraft, William Roulette III and Fred Walter. They were attired in typical musical comedy outfits. They were heard in "Strolling Through the Park One Day" and "I Go for Annie's Cousin Fanny."

Dixie Rogers, of the Vancine dancers, New York City, who formerly danced on the Milton Berle show sang and tap danced to the delight of all. Her first number was "I Ought to Dance." Her final dance was with drum music. Tommy Cullen's Shawnee Inn orchestra furnished music for her.

The final number on the first part of the program was Noel Coward's play, "Fumed Oak," starring Barney Fairfax in the lead as the father; Adelaide Sheble as his wife; Polly Hope, as the daughter, and Mrs. Arch Hartzell as the mother-in-law.

During the intermission, soft drinks were disposed of under the direction of Mrs. Walter Stiekover, of the Auxiliary committee.

In the opening of the second portion of the show Don Ameche presented Betty Brewer, featured singer on his TV program. She pleased with her selections, "Almost Like Being in Love," "The Man I Love" and "Some One Like You," with the Cullen orchestra accompanying.

Comedian Al Koehl was much enjoyed in his comic skits. Pantomime of starting a model T Ford with sound effects and an army major in Heidelberg.

One of the main features of the show was the sketch, "Family Album." Seated on platform with in the huge frame was an aged lady, depicted by Mrs. Gordon Savage, turning over the pages of a family album reminiscing at the same time.

Janice Mickey opened the door of the picture frame as the series of tableaux were shown. Mrs. Bradburn furnished the background music.

Pictures shown were: Uncle Bijah, Redwald Smith; Aunt Sukie, Mrs. Ross Fuller; bride and groom, Mrs. Arthur Mosteller and Richard Lee; husband in lodge uniform, Walter Hope; grandma in pantaloons, Mrs. Dolores Cullen; Penelope Morse, Sally Christenberry; the children, Mrs. Marcia Sterling Walter, and Cousin Gus Decker, Mrs. John Heller and Jane Minerva, Mrs. Frank L. Patterson Jr. All were costumed in outfits of yesteryear.

The barbershop quartet brought the program to a close singing "She Is More to Be Pitted Than Censored," the grand climax being presented by the entire company singing "Shawnee Will Shine Tonight."

Mrs. Robert Christenberry was chairman of arrangements. Mr. Fairfax and Adelaide Sheble being the directors of the show.

A double birthday celebration was held on Sunday when Fred W. Christine and his son, Elmer, were honored at the Christine summer home, near Hialeah park. They just finished the dinner which was served out of doors when the weather man let go with the heavy rain.

In attendance were Mr. and Mrs. Fred W. Christine, Elmer Christine and daughter, Mr. and Mrs. John L. Rusk, of So. Orange, N.J., and children. Mrs. Rusk is the daughter of Mr. and Mrs. Fred Christine.

## Frank Melvin Takes Miss Betty Miller As His Bride

Frank R. Melvin, of 130 Green St., Stroudsburg, son of Mr. and Mrs. Redmond D. Melvin, of Thornhurst, took as his bride Miss Betty I. Miller, daughter of Mr. and Mrs. Fred W. Miller, of 841 Scott St., in a wedding at Zion Evangelical and Reformed church at 2 p. m. yesterday attended by the immediate families.

Rev. Frank H. Blatt, pastor of the church, performed the double ring ceremony before the altar decorated with three pretty bouquets of white gladioli, asters and pompons.

The bride, given in marriage by her father, wore a white marquisette ballerina length dress with Peter Pan collar, short pleated sleeves and jodice and white picture hat. She carried a white prayer book on which rested a white rose corsage and streamers.

Miss Evelyn Miller, who acted as her sister's maid-of-honor, was attired in a green organdy dress with short sleeves and Peter Pan collar with a pink sash, white Dutch cap and accessories. She carried a colonial bouquet of pink carnations.

Redmond D. Melvin, of Thornhurst, acted as his son's best man.

The mother of the bride wore a navy blue rayon dress with white collar and cuffs and white straw hat and a corsage of red roses. The mother of the bridegroom wore a gold dress and black picture hat and corsage of yellow roses.

A reception was held following the ceremony at the home of the bride's parents for the immediate families.

Mr. and Mrs. Melvin left later on a wedding journey to Niagara Falls. For traveling, the bride selected a navy blue and white polka dot voile dress with white accessories and corsage of white roses. They will make their future home at 130 Green St., Stroudsburg.

The newlyweds are both graduates of Stroudsburg High school in the class of 1944. The bride is employed as secretary by the law firm of DePuy and Hansen, while the bridegroom is employed by Clement B. Price, contractor.

## Fetherman Clan Reunion Is Held At Weona Park

The Fetherman-Fetherman family reunion, held at Weona Park, Pen Argy, yesterday, was attended by about 100 persons despite the threatening weather conditions. Fred Fetherman, Stroudsburg, the president, was in charge of the business meeting.

Dinner and supper were enjoyed at the park and games and contests followed the business session. Norman Fetherman, East Stroudsburg, historian, was heard in brief remarks. It was reported there had been four deaths in the family since the reunion of last year.

The officers were re-elected for the coming year as follows: Fred Fetherman, Stroudsburg, president; Carroll Fetherman, Newfoundland, first vice president; Clyde Fetherman, Germantown, second vice president; Floyd Fetherman, Stroudsburg, secretary; Mrs. Blanche Ackerman, Bethlehem, treasurer, and Norman Fetherman, East Stroudsburg, historian.

Prizes were awarded during the afternoon session. That for the oldest lady in attendance went to Mrs. John Metzgar, Stroudsburg RD; oldest man, Edwin Berger, Bethlehem; youngest child, Thomas Charles Forry, Stroudsburg RD 2.

Mr. and Mrs. James Sheeley, Linden St., Stroudsburg, received the prize for having been married the longest period of time; that for being married shortest time to Mr. and Mrs. Fred Fetherman, Stroudsburg. Walter Dickinson, of Tenth St., Stroudsburg, received the prize for traveling the longest distance, having covered 124 miles for the purpose.

The attendance prize went to John Edinger Jr., of Stroudsburg. It was decided to hold the 1952 reunion the second Sunday in August at either Weona Park, or at Wind Gap, decision being left to the executive committee.

## Mrs. Schmits Is Hostess To Bridge Club

Tannersville—Mrs. Henry G. Schmits, of Top Notch Cottage on the Henryville road, entertained her bridge club of Queens, L. I., on Monday, Aug. 6. After luncheon, they had a delightful afternoon playing cards on the lawn.

The members are staying a few days with Mrs. Fred Mott, also a member of the Club, at her cottage California Lodge on the old road in the village.

Those present were: Mrs. Arthur Heany, Mrs. Fred Mott, both of Hollis, L. I., Mrs. Chas. Brockman, of Point Lookout, L. I., and the hostess, Mrs. Henry G. Schmits.

Mrs. Charlotte Transue, of 518 Pleasant Ave., in the N. Fifth area, is celebrating her birthday today.

Now they have nylon typewriter ribbons, which are said to be longer-lasting than others—a boon to secretaries who hate to change the ribbons.

## Cherry Lane Lawn Bazaar Fine Success

Cherry Lane—The official board and women workers of the Cherry Lane Methodist church met at the home of Mr. and Mrs. Willard Anglemeyer, on Wednesday night, Aug. 8. Rev. Ralph H. Feltham presided over the business period, during which reports of various committees were heard, including those who handled the recent lawn bazaar.

A substantial sum was realized from this affair, due to the generosity of many friends who attended and also donations received from those who were unable to do so. Members of the Church are very grateful to everyone for their support.

Sick members reported included Julius Hauser who is reported slightly improved. All bills, including pastor's salary to date were reported paid.

The next meeting of the group will be held Friday night, Sept. 14, at the home of Mr. and Mrs. Chester Sebring.

Those present at the above meeting included Rev. Ralph H. Feltham, Mr. and Mrs. Roy Sebring, Mr. and Mrs. Chester Sebring, Mr. and Mrs. Emory Shaffer and daughter Nancy, Mr. and Mrs. Wm. Clugston, Mrs. Jessie Kane, Mrs. Mabel Henry, Mrs. Julius Hauser and the hosts. Refreshments were enjoyed at the close of the evening.

## Prizes Are Awarded To Employees

One of the features of the annual picnic of the employees of the Worthington Mower company, held at Lake Minola, Brodheadville, Saturday afternoon and night was presentation of service awards to employees. Glenn Sanborn Jr., was in charge of this part of the program.

Dinner was served at 12:15 p. m. and luncheon at night to the large number in attendance. Weather conditions were perfect for the outing which included sports and contests for which prizes were awarded.

Square dancing was enjoyed at night, the music for which was furnished by Virgil Singer and his Pocono Hillbillies.

George Carson with a record of 25 years service was presented with a wrist watch, which is customary for this period of employment.

Others honored, with awards were: Audrey Walter 35 years, Vincent Romig and Fred Dennis 30 years; Lloyd Miller and Paul Miller 15 years.

In the 10-year group were: Ralph Stackhouse, Robert White, Charles Walter, Russell Swartz, Layton Lambert, George Rarick, John Dotter, Landis Schafer, William George, Floyd Dennis and William Dotter.

Those honored for five years included: Philip Lee, Warren McNeil, Caroline Morgan, William Pipper, William Reaser, Edna Shook, Phyllis Storm, John Hiller, LeRoy Hagerty, Charles Hopkins, Grant Rarick, George Fish, George Williams, Gilbert Overpeck, Charles VanWhy, Joseph Stackhouse and Stanley Heller.

The sports which included the softball game between teams representing the shop and office in which the former was winner for the first time in years, were in charge of Samuel S. Everitt and Daniel Chiodo.

Prize for the egg throwing contest went to Bill Reaser and Clair Metzgar; pop drinking to Dick Fredenberg and George Lesh and egg walking race to Phyllis Storm and Betsy Heller.

Robert Metzgar and Deibert Frank were the winners of the two prizes awarded.

## Paul Weiss Drowns In Private Pool

Brodheads—A coroner's verdict of accidental drowning was on file here yesterday for Paul N. Weiss, 38, whose body was taken Saturday from the swimming pool of Floyd Allmose, Saylorsburg RD 2.

Weiss, a life-long Brodheads resident, drowned between 11:30 p. m. and midnight Friday, according to Monroe County Coroner William E. Andrew.

Mr. and Mrs. Allmose and four friends called State police at Brodheads and a physician after discovering Weiss' clothing and his crutch at the side of the pool after midnight. He had been partially crumpled by an old gunshot wound.

Police said Weiss had chatted briefly with Mr. and Mrs. Allmose, Raymond and Maurice Kresge, Gilbert, James Hawk, Saylorsburg, and Woodrow Kresge, Stroudsburg, Friday night at the Gilbert inn, Brodheads.

Inn employees said Weiss left the place alone about 11:30 p. m. Apparently Weiss went directly to the Allmose home to swim. The pool is fed by McMichael's creek.

Police said the Allmose party left the inn after it closed at midnight. Also planning to swim, the six friends went to the pool where they saw Weiss' clothes and crutch.

Police and Dr. John J. Martucci, Brodheads, were called to the scene. Members of the group made an unsuccessful search of the 60-by-30-foot pool in the darkness.

The West End Fire Co. of Gilbert was called in, and the body was recovered with grappling hooks. Dr. Martucci pronounced Weiss dead at 2:55 a. m.

Police said neighbors reported no calls for help. Weiss' parents, Mr. and Mrs. Francis Weiss, with whom he lived, said their son was an excellent swimmer.

Services will be 2 p. m. today at Kresge funeral home here with Rev. Adan Bohner officiating. Burial will be in Brodheads cemetery.

Weiss, a graduate of Chestnuthill High school, was employed as a clerk at the F. M. Weiss store here.

Surviving are his parents; six sisters, Mrs. Howard Warner, Stroudsburg RD 3, Mrs. Edwin Brong, Saylorsburg, Mrs. Thomas McLeland, Philadelphia, Mrs. Frank Goldin, Lansdowne; Mrs. Earl Kresge, East Stroudsburg and Mrs. Claude Bunting, East Stroudsburg RD 3; and four brothers, Clarence, at home, Kenneth, of Stroudsburg RD 3; Felix, of Saylorsburg and Clair, of Stroudsburg.

## Danville Boy Wins National Soapbox Derby Championship

Akron, O., AP—Fifteen-year-old Darwin Cooper, representing Williamsport, Pa., whizzed down the All-American soapbox derby course in his sleek black racer No. 137 yesterday to win the 14th running of the classic at Derby Downs.

He bested 140 competitors from the United States, Canada, Alaska and the U. S. Occupation zone of Germany. His prize is a \$5,000 college scholarship at the school of his choice. About 80,000 fans saw the event.

Second place, with a prize of a new automobile, went to Raymond Marconi, 12 of Gary, Ind.

Third and last in the final, 75th heat was Paul F. Albright, of Jefferson City, Mo.

In the heat to determine the next three places, the order of finish was James Gray of Columbus, Ga., William E. Herget of Akron, O., and Ferdinand Funke of Evansville, Ind.

Cooper's time in the final heat was 27.97 seconds.

It was the first time a Pennsylvania entry had won the grand prize.

The boy lives in Danville, but raced and won the area championship at Williamsport. He is the fourth Danville boy to represent Williamsport in the all American.

Wilbur Shaw, 48, Indianapolis official, was to have served as referee for yesterday races, but he suffered a heart attack and was taken to City hospital in a serious condition.

Shaw ran up the green-painted racing strip, 975.4 feet long, to board an automobile for the pre-race parade, and collapsed.

The winner, a freshman at Danville Junior High school, is a tall, thin lad, serious and quiet. He is the eldest of four children of steelworker William Cooper, an employee of the Kennedy Van Saun Mfg. Co. in Danville.

Last year a cousin, Donald Alter, placed second in the all American. All the excited champion could say after his victory was "thanks—I'm glad I won. I sure put a lot of work in on my car."

Cooper's best time in the race he took three months to build was 27.9 seconds in a first-round victory over Jerry DeVault of Indianapolis and Alberto Martinez of Laredo, Tex. That was the second fastest time of the day.

The speed mark for the afternoon was 27.83 seconds posted by Thomas R. Gore of Atlanta in the second round. Cooper's time in the second was 28.05 as he won over George Short of Pittsburgh and Bruce Steve of Ithaca, N. Y.

In the third round Gore finished third in a heat that Cooper took in

## Grange Calls For Defeat Of Truck Measure

Harrisburg AP—The Pennsylvania State Grange said yesterday the State could raise an additional \$25,000,000 a year in revenue "by making big trucks pay their fair share of highway costs."

Joab K. Mahood, Grange secretary, made the suggestion in renewing a demand for defeat of a truck weight increase bill now before the House.

The bill would increase weights of commonly-used commercial vehicles from 45,000 to 60,000 pounds.

"Defeat of the big truck bill and enactment of a weight-distance tax would go far to solve to the Legislature's knottiest problems—truck weights and additional revenue," Mahood said in a statement.

"As the Grange recently showed," Mahood said, "the passage of the big truck bill would permit a handful of long-haul truckers to increase their earnings by millions while Pennsylvania would receive no more than an additional \$37 per year per vehicle."

He urged that a commission be named to study the question of raising more revenue from trucking industry and to determine more fully whether trucks impose extra damage on roads.

As he approached a halted line of west-bound traffic but his car skidded on the wet paving.

The vehicle collided with the rear of a car driven by Richard Snyder, 22, Portland. Minor property damage was done to each car. There were no injuries.

Rain was blamed for the collision of two cars in the 200 block on Main St., Stroudsburg, at 4:45 p. m. yesterday.

Jacob Klingel, 17, of 42 Penn St., East Stroudsburg, told Stroudsburg police he applied his brakes

27.91, and in the fourth round, Cooper made it in 27.92 over Young Gray from Georgia.

## Motorists Warned Of Law Regarding Hand Signals

The motorist who fails to show his intention to stop or turn is going to be up against suspension of his driving privileges, according to a "get tougher" policy being adopted by State Highway authorities.

Ohio F. Messner, secretary of revenue, announced that compliance with the law regarding hand signals is fast becoming a thing of the past with many motorists, and that entirely too many accidents are resulting from such negligence.

"The driver who is seen neglecting to signal by hand, even though no accident follows," he disclosed, "is liable to arrest, a fine, and the loss of his operating rights."

"Giving hand signals is common sense, it is courteous, and it is the law," he pointed out. "Despite these reasons, which should appeal to every conscientious driver, this provision in the vehicle code constantly is being violated."

"Our reports reveal that many, many crashes, including serious and fatal ones, are happening because motorists are ignoring this simple—and compulsory—precaution."

The secretary said that State police and local enforcement agencies were being instructed to stress observance of the hand signal law more rigidly than ever before.

# Life of Riley

By JIM RILEY  
Sports Editor

Feelers concerning the rebirth of the North Atlantic League have been sent out from the Allentown headquarters of Ernest "Duke" Landgraf, president of the league that folded last winter, for at least one season. No information has been received on how the latest feelers were received in the various camps, but it's almost a certainty that the class "D" circuit won't return for more punishment next season, although it is quite possible that loop may operate again—maybe in two or three years.

Ben Jones, coach of the Brookville High school grid machine, left for his post yesterday. The Stroudsburg High and East Stroudsburg State Teachers College graduate spent the bulk of the summer with his parents in South Stroudsburg, when not attending classes at New York University's summer camp, where the likeable Jones is studying for his doctor's degree. Ben is scheduled to start football drills a week from Monday.

At "Red" Nerino, youthful right handed pitcher who tossed a no-hit game for Roseto against Portland last Thursday is an employee of The Daily Record, serving as a reporter during the summer months before resuming his studies at Penn State next month. Although Nerino didn't allow a hit, his ten walks kept him in hot water, although winning by a 5-1 count. Portland's only score came on a walk, stolen base, an error and an infield out. In addition to pitching, young Nerino can play the outfield or infield, wherever the occasion demands his presence.

Rumblings coming out of the Pocono Mountain Baseball League indicate that Tohyanna is very upset over the fact that it's protest against Kunkletown wasn't allowed recently. The Tohyanna club maintained that Asher Smith, Kunkletown pitcher, had no right to wear a piece of white tape on his throwing hand and in so doing violated a rule. The protesting club wanted the game replayed, but Commissioner Marty Baldwin ruled otherwise, enabling Kunkletown to hold first place in the standings by its present margin.

Vince DeFranco, baseball, football and basketball star with Bangor High school last year, will enroll at Blair Academy next month. DeFranco has held down the position as a Roseto reserve during most of the present Blue Mountain League campaign. Clarence "Buck" Eigher's damaged knee is reportedly improving nicely following surgery in Bethlehem recently. The cast was removed on Wednesday of this week and the former Stroudsburg High and East Stroudsburg State Teachers College griddler is bending the repaired limb.

Lou Hummel, catcher and manager of the Berwick franchise, North Atlantic league, early in the 1950 campaign, has joined forces with the semi-pro Kitchener, Ont. club, where he will be a teammate of Phil Marchildon, former major league hurler. Hummel was dismissed as Berwick pilot last year before the season was half completed. Bob Lane, second baseman for Johnsonville, is a student at East Stroudsburg High school.

East Bangor's planned, victory celebration took place as per schedule last night following the club's win over Roseto. However, the Blue Mountain league champion had to share the victory spotlight with Johnsonville, as the cellar dwellers upset second place Pocono A. C. Johnsonville and East Bangor joined in the party following the game, as the old case of the last being first really came true yesterday, as far as East Bangor and the remainder of the Blue Mountain league was concerned.

Johnsonville not only helped East Bangor win the pennant, but according to reliable reports the last place team halted by rain after Roseto had batted in the eighth frame. However, after the rain had stopped the field was declared unfit for play. Roseto thought otherwise and was bent on proving its point before the new broke that Pocono A. C. had taken it on the chin against Johnsonville. The Pocono A. C. loss made further play unnecessary for East Bangor, who by that time had clinched the pennant, win, lose or draw.

The Portland Apollos cleared a total of \$110 at Friday's dance. This money is to be used next season. LeRoy "Cheery" Egbert, team manager, won the grand prize cake, among no end of kidding. The Apollos, according to reports, plan to hold similar fund raising venture every month during the coming fall and winter months. The Tashy club attended the affair in a body. Leonard Renaldo, who did a fine job of umpiring behind the plate in the Johnsonville-Pocono A. C. contest yesterday, was a diamond star for the Portland club 20 years ago, this writer was informed during the course of yesterday's contest.

# East Bangor Clinches Blue Mountain League Flag

## Pocono A. C. Falls Before Johnsonville

Portland — Johnsonville played inspired baseball here yesterday and made certain that second place Pocono A. C. wouldn't share the Blue Mountain League pennant, by scoring a 1-0 victory, thus kept the very small crowd spell-bound until Bob Schick went down on strikes in the ninth. Then the Johnsonville crowd opened its pent up feelings and cheered the winning aggregation to the heights.

John Polisky, an understudy to Ray Steele on the East Stroudsburg High school club last spring, hooked up in one of the season's finest pitching duels with Alden "Red" Fetherman, Pocono A. C. hurler, and both reached the eighth innings with the score-board containing nothing but a "mess" of zeroes.

Mistakes However, after Polisky had shut the door on the charges of Manager John Schoonover once again, Johnsonville pushed across what proved to be the winning tally in the home half of the eighth.

Bill Onjak opened the frame by working Fetherman for one of the three walks given by the Stroudsburg High student. John Weidlick dumped a bunt toward the pitching mound and all hands were safe when Fetherman threw too late to second, in an attempt to tag Onjak.

Ralph Redfern dumped another bunt toward the mound and Fetherman's throw to third apparently had Onjak out. However, umpire Bill Ponsyl ruled otherwise and the bases were loaded with nobody out. Ken Lane topped a ball down the third base line, but Russell "Lindy" Transue, holding down the third sack, threw wild to the plate, allowing the winning run to cross. Fetherman then struck out Pete Polisky, and John Drew picked two runners off base to end the frame.

Pocono A. C. didn't get a runner past second base all afternoon, as the Johnsonville defense was superb, especially Bob Lane, Pete Polisky and Weidlick, who came up with some seemingly impossible stops and catches.

## Hogan Gains Top Purse

Chicago (AP)—In a typical scorching finish, invincible Ben Hogan slammed a pair of 3's for a 66 yesterday to win golf's biggest jackpot, \$12,500, with a 15-under-par 273 in Tam O'Shanter's "World" championship.

Hogan, who boosted his winnings in five official tournaments this season to \$20,400, trailed Jimmy Demaret, the 54-hole leader by five strokes entering the last round.

But his brilliant 33 wiped out four of the debits at 63 holes when Demaret wilted to a 37 on the first nine.

Little Ben never eased off on the pressure-packed back slide and methodically shot another 33.

Repeat Demaret required another 37 to get home for a 74 and a 276 total. The colorful Cal, Calif. pro who had been in the lead through the first three rounds, wound up second to collect \$5,000.

Pete Cooper, the perennial contender from White Plains, N. Y., banged a final 69 while Bobby Locke and his newly-found putting touch added 70, each to finish at 277 and win \$2,750.

Drawing down \$2,100 top money in the concurrent women's "world" open, was "Babe" Zaharias who finished with a three-under 73 for a 258.

The "Babe" thus won all four of the "World" meets held and for the fourth straight time. Patty Berg finished as runner up. Miss Berg finished six strokes behind with 304 and a closing 78 that was worth \$500.

HAPPY GROUP—Pete LaBar, manager of the East Bangor team is pictured above, center, admiring the watch presented to him by East Bangor's chief Burgess, Herbert C. Dillard. The watch is a reward for piloting East Bangor to the Blue Mountain League pennant. Helping their manager admire the gift are, from left to right, "Skinny" Gilbert, Duane "Chips" Parsons, Earl Brittain and LaBar's fiancée, Miss Doris Matthews.

## Reeders Takes Measure Of West End A.C. In Tight Tilt

Gilbert—A strong early push enabled Reeders to escape with a 5-4 Pocono Mountain league victory here yesterday, over West End A. C. The game was halted with two Reeders runners on base and one out in the seventh, because of rain.

## Parsons' Circuit Blow Sinks Roseto

East Bangor—East Bangor clinched the 1951 Blue Mountain League pennant here yesterday with a 2-1 victory over Roseto in a game halted after seven and one-half innings by rain, while Johnsonville surprised runnerup Pocono A. C., 1-0, at Portland.

Duane "Chips" Parsons and Mac Barnhardt shared the starring roles as East Bangor came through with its most important win of the season.

Parsons caught hold of a change of pace pitch by Bob "Lefty" Muhr, and drove a towering fly a mile over the right field fence. "Home run" was written all over the ball when it left the bat. The blow, which came in the fourth round, found "Skinny" Gilbert perched on the base paths.

## Long Marker

At "Red" Nerino drove home the only Roseto run when he dropped a single into short right field on a hit-and-run play that found Dick Pritchard scoring all the way from first base.

Roseto had several excellent scoring opportunities, but the serious minded Barnhardt managed to close the door each time that it appeared as if the "jig" was up.

Each hurler limited the opposition to six hits, with only two extra base blows accounted for in the dozen safeties.

## Barrett Pulls Major Upset By Trouncing Kunkletown, 15-6

Chandens—Barrett pulled a major upset in the Pocono Mountain league yesterday by trouncing league leading Kunkletown, 15-6, here on the Barrett High school field.

Lenarr Price limited the hard hitting Kunkletown club to five safeties, including a home run by Ralph Nicholas in the third inning. The circuit blow sailed over the left field fence, with one mate aboard.

## Big Frame

However, the Barrett club opened up on the veteran Asher Smith with five counters in the first, after Kunkletown had tallied three times in its half of the opening round, then added four more in the second and six in the third, as the home team worked all its scoring into the first three innings of the contest.

The game was halted at the end of the sixth because of rain.

Price retired four on strikes and only walked one, while Smith struck out two and issued three free tickets to first base. Woodrow "Woody" Costenbader, relief hurler for Kunkletown, fanned two and walked only one batter.

The home run by Ralph Nicholas was the only extra base blow of the game.

## Kemp Post Wins Over Raubsville

George N. Kemp Post took the measure of Raubsville American Legion in an exhibition baseball game at the East Stroudsburg Playground on Saturday night, in a twilight affair, by a 3-2 count. Bill "Lefty" Metzger had a one-hitter for seven innings.

Metzger worked the entire eight innings on the hill for the winning aggregation, allowing only four safeties, while fanning ten and giving up only three free tickets to first base.

## THEY'LL DO IT EVERY TIME

## Lady Luck, A's Ride To Wins Over Yankees

Philadelphia (AP)—The Pennsylvania curfew that prevents Sunday games from continuing after 6:59 p.m. (EDT) ended a five-run New York Yankee rally in the eighth inning and allowed the Philadelphia Athletics to score a 7 to 4 win in the second game of a twin bill. The lowly Athletics also won the opener, 9 to 5 as they sent the Yankees reeling into second place one and one-half games behind the Cleveland Indians.

The nightcap ended in rain and

darkness amid a welter of confusion as the Athletics appeared to be stalling and the Yankees appeared to be trying to hurry the game along. The top of the eighth inning took 22 minutes with the Bronx Bombers sending nine men to the plate and the A's using four pitchers.

### Streak Ends

It was indeed a dark, dismal day for the proud New Yorkers as the Athletics ended rookie Tom Morgan's eight game winning streak in the opener.

Seven Yankee pitchers saw action during the long afternoon with Morgan and righthander Jack Kramer being charged with the costly defeats. It was Morgan's second loss and defeat number three for Kramer, a one-time winner.

### First Game

New York .000 000 500—5 9 0  
Philadelphia

### Second Game

New York .022 000 0—4 7 2  
Philadelphia .022 201 0—7 11 1

## Cardinals Trip Reds On Walk In Ninth Frame

St. Louis (AP)—A walk to Bob Scheffing forcing in Wally Westlake with the winning run in the last of the ninth gave the St. Louis Cardinals a 4 to 3 triumph over the Cincinnati Reds yesterday. The Red Birds overcame a three-run deficit to gain the victory against righthander Herman Wehmeier.

Wehmeier had a two-hitter go-

ing into the seventh when "Red" Schoendienst, Hal Rice and Billy Johnson singled and Musial walked—good for two runs.

### Ties Count

Schoendienst tied the count in the next inning with a triple to left-center field, sending Solly Hemus home.

The Reds got all their runs in

the third—two of them being forced in on a walk and a hit batsman.

Harry Brecheen, who took over with two out and two Reds on base in the eighth, gained his eighth victory of the year against two defeats.

Cincinnati .003 000 000—3 8 0  
St. Louis .000 000 211—4 8 1

## Dodgers Defeat Braves, 7-2

Brooklyn (AP)—Roy Campanella blasted his twenty-third and twenty-fourth home runs yesterday to spark the Brooklyn Dodgers to a 7-2 victory over the Boston Braves.

Big Don Newcombe limited the Braves to eight hits including a home run by Sid Gordon, to post his sixteenth victory.

### Third Attempt

A crowd of 17,001 saw Newcombe register his sixteenth victory on his third attempt. The National league strikeout king yielded eight hits but struck out two batters. He also walked two.

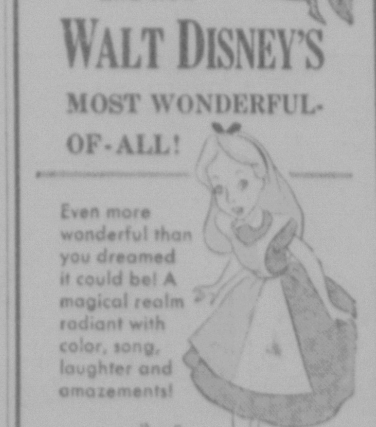

His victim was Johnny Sain, who was sabotaged by poor support in suffering his thirteenth defeat against four victories.

Boston .100 000 100—2 8 1  
Brooklyn .000 200 14x—7 9 2

Shop Team Triumphs  
Minesola—The shop team took the measure of the office club at the Worthington Mower picnic here Saturday, 15-6. The winning club used three hits to turn the tide, while the office scored all six runs in the fifth. Marc Decker pitched for the winning team.

## Stockertown Surprises West Bangor

Bangor — In a day of Blue Mountain league surprises, Stockertown took the measure of fourth place West Bangor, 6-3, here at Memorial Park. The winning aggregation scored five of its six tallies in the first three innings.

West Bangor, doomed to a fourth place finish, accounted for all its runs in the third frame, when the home team presented a three-run uprising.

### Even Pace

Stockertown meanwhile opened the scoring in the first frame with a single run, picked up three in the second and then finished up with singletons in the third and sixth frames.

Stockertown held a 6-4 edge in the hitting, as Phil Cooper out-pitched Manager Nick Dellesandro and Elio Uliana in what may prove to be the final game of the regular season for West Bangor and certainly the last outing for Stockertown.

Dave Lessig and Pete Kale led the Stockertown attack, each hanging out a pair of hits.

## District Head To Pay Visit To Rotarians

The Rotary Club of Pocono Mountain Wednesday will be host to Nicholas M. Rahn, governor of the 262nd district of Rotary International, who is making his annual official visit to each of the 36 Rotary clubs in northeastern Pennsylvania.

He will confer with President Irwin H. Shinnen, Secretary Rich-

Nicholas M. Rahn

and L. Price and other local officers on Rotary administration and service activities.

Mr. Rahn is a past county agent of Carbon county and is a member of the Mauch Chunk Rotary club. He is one of 263 Rotary district governors supervising the activities of some 7,300 Rotary clubs which have a membership of 350,000 business and professional executives in 83 countries and geographical regions throughout the world.

Wherever Rotary clubs are located, their activities are similar to those of the Rotary Club of Pocono Mountain because they are based on the same general objectives—developing better understanding and fellowship among business and professional men, promoting community-betterment undertakings, raising the standards of business and professions, and fostering the advancement of good will, understanding and peace among all the peoples of the world.

Each year, this world-wide service organization continues to grow in numbers and in strength. During the last fiscal year, for example, 257 new Rotary clubs were organized in 35 countries of North, South, and Central America, Europe, Asia, Africa and the Islands of the Pacific.

### Strike Authorized

Long Beach, Calif., (AP)—The CIO United Auto Workers said its members yesterday authorized a strike at Douglas Aircraft company's Long Beach plant after failing to reach agreement with the company on seven basic union demands.

## Last Rites Planned For Steve Early

Washington, (AP)—Stephen T. Early, President Franklin D. Roosevelt's press secretary and close friend, will be buried in Arlington National cemetery Tuesday morning.

Early died Saturday of a heart attack at the age of 61.

Funeral services will be held at the Washington cathedral at 10 a. m. Tuesday and the burial in Arlington will follow at 11:30 a. m.

Canon G. Gardner Monks will officiate at the cathedral funeral service. At Arlington cemetery, Rev. William Kepler, pastor of the Northminster Presbyterian church, Washington, will assist an Army chaplain yet to be chosen. Early was a veteran of World War One.

He is survived by his widow and their three children, Stephen T., Helen Virginia (Mrs. William Elain) and Thomas Augustus.

At the time of his death he was vice president of the Pullman Standard Car Manufacturing Co. He went to that job first when he resigned from the White House after Mr. Roosevelt's death in 1945 but left it for a tour of duty as deputy secretary of defense and temporary help-out work for President Truman.

### Frontier Calm

Lima, Peru (AP)—Unofficial sources here said calm prevailed yesterday along the Ecuadorian-Peruvian frontier, where Peruvian troops have been formally charged with a series of attacks on two of Ecuador's border garrisons.
